No publications can compare with the leading British Periodicals above named, reprinted by the LEGNARD SCOTT PUBLISHING COMPANY. In respect to fidelity of research, accuracy of statement, and purity of style, they are with out any equal. They keep pace with modern thought, dis-covery, experiment, and achievement, whether in religion, science, likerature, or art. The ablest writers fill their pages with most interesting reviews of history, and with a intelligent narration of the great events of the day:
